

Luke Rimmington

About me:

I am a very keen individual from Cairns interested in a fulfilling career job. I'm a recent graduate from Gordonvale State High School who is a confident, focused person. I'm looking to elevate myself to the next level. I love to challenge myself and am not afraid of doing so.

0432148529

Cairns, Australia

Personal skills:

Driven

Adaptive

Helpful

Honest

Communicative

Inventive

Logical minded

Skills:

Technologically oriented with devices, some skills in programming and moderate penetration testing skills.

(HTML, CSS, JavaScript, C#, Python, PHP, and MySQL).

My Objective:

My objective and purpose for myself in the later future is to get into defence force and build a full-time fulfilling career in and out of defence. I would love a technical job out of the defence as much as I would in the defence force.

Interests:

Programming
Reading

Building things
Exercise
